Subject: Westlake Landfill EPA public document link

Sara,

Mark Hague and I talked yesterday afternoon with AG Koster. We wanted you to have this link to publicly available EPA documents connected with work on OU-1 at Westlake. I want Koster's office to access to it as they prepare to announce their filing of the complaint on behalf of the MDNR. I also want to offer him the chance to talk with EPA staff at Region 7 today, but leave that decision to if you think it would be helpful in advancing your agency's goals.

I've asked Mark Hague to work with you or the AG if this call happens this afternoon, as I'll be leaving about 3 to head to Lake of the Ozarks.

Cheers,

Karl Brooks
